## SNI-A-BAR FARMS HERD BULLS

## Announcement

---

The Sni-a-Bar Farms herd of Shorthorns was founded twelve years ago. Although the herd at the outset consisted of animals of superior breeding and individual merit, no formal offering of the Farms' breeding stock has been made until it was felt that the product possessed such merit as to be a creditable addition to any herd in America. From the outset it has been the aim of the Farms to produce one of the very best Shorthorn herds in the United States. Looking to that end neither pains nor expense has been spared in acquiring representatives of the best herds of this country and Great Britain and in discarding those individuals which did not measure up to the Sni-a-Bar standard.

Sni-a-Bar Shorthorns by their winnings have taken a prominent place at the principal shows of the country. The herd is fully accredited by the United States Department of Agriculture and every reasonable precaution is taken to keep the animals free from infectious disease. The offering at the first annual sale consists of 9 bulls ready for service, 10 cows with calves at foot, 23 heifers in calf to Sni-a-Bar herd bulls, and 8 open heifers.

For some time the beef cattle business has been depressed. In this period the stock of useful bulls and of high class females has run down. No one familiar with the cattle situation now doubts that we are at the end of this depression and have already entered into an era of better prices and a quickened demand for breeding stock. The purchaser at this time of well bred Shorthorns is almost certain to see immediate enhancement in the value of this property and a good demand for its offspring.

To the breeder looking for a herd bull or a few females of such breeding and quality as to enrich his herd the offerings of this sale present exceptional opportunities.

## Terms *and* Conditions

---

His breeding is too well known to need any comment—a full brother to the great breeding bull, Sterling Supreme, owned by C. H. Prescott & Sons; Supreme Commander, owned by F. C. Baker; Supreme Marshall, owned by C. M. Brown, Standard Supreme, owned by Jones & Shreffler. He has been shown successfully, his winnings including 1st Missouri State Fair and the American Royal as a yearling and 2d Aurora, 2d Ohio, 3d at American Royal and International in 1924. His progeny has been very successful in the showing in the get of sire class. His get won 3d at American Royal, 4th at the International, 1st at Denver, Oklahoma City and Ft. Worth, Texas. This bull is guaranteed in every way and is only being sold on account of his color—so many white bulls have been used at Sni-A-Bar. The only reason for selling this bull is that of the continued use of white bulls and the large number of his heifers retained in the herd make a change advisable.
